5.3 Stipulating Time Frame for Recovery of dues involved in Certificate Cases filed by banks under PDR Act

A large number of certificate cases filed by banks under PDR Act are pending for disposal in the districts. These cases not only lock a good amount of lendable funds but also drain out human resources due to their infinitely staggered continuance / disposal.

Govt. of Bihar is requested by SLBC forum to look into the matter and consider amendment in related policy by stipulating a definite time frame for disposal of certificate cases filed by Banks under PDR Act.

5.4 Prompt Action by District Administration under SARFAESI Act.

Application from banks for taking physical possession of property under Section 13 (4) of SARFAESI Act remains pending for unduly long periods in the offices of DMs. This concern emerged as an action point in previous SLBC meetings in compliance to which GoB has sent letters to all DMs. However, considering the pendency involved and its impact on lendable funds, GoB is requested to issue specific instructions to the district authorities for quick and proactive disposal of the applications within the stipulated time frame. This will help in reduction of NPAs, freeing funds for further lending and improving their performance under ACP.

6 Review of 100Top & Bottom Performing bank branches

With a view to promote healthy competition and recognize efforts put in by individual branches of all the member banks, it was decided during the 66th Review meeting of the SLBC held on 01.12.2018 that Department of Finance, Govt. of Bihar will carry out the ranking of 100 Top and 100 Bottom Performing Bank branches operating in the State. As decided by Department of Finance, Govt. of Bihar, this ranking was decided on the basis of the performance of the branch in two areas:

- CD Ratio
- Achievement under ACP

Rank = CD Ratio + Achievement (%) under ACP

However, during the 68th SLBC meeting it was found that even bank branches having very low ACP achievements were ranked high due to their high CD Ratio only. So, it was suggested to carry out hence forth the ranking solely on the basis of ACP achievement. Accordingly, the Department of Finance, Govt. of Bihar has grouped banks in two categories and has advised district administration and LDMs to share the information as follows:

(i). Group –“A”: Public Sector Banks + RRBs + Cooperative Banks

5 High Performing Branches in the districts

10 Low Performing Branches in the districts

(ii) Group –“B”: Private Sector Banks + Small Finance Banks

5 High Performing Branches in the districts

5 Low Performing Branches in the districts

The performance under ACP Achievement is to be reported with a condition that:

For June, September & December quarters branches achieving more than district average ACP Achievement will be included under High Performing Branches.

For March quarter, branches only with ACP Achievement above 50% be included under High Performing Branches.

Department of Finance, Govt. of Bihar is requested to share the rankings for December 2020 with the house.

8.2 Crop Insurance under KCC Scheme

As per RBI Circular No.RBI/2018-19/10 FIDD.CO. FSD.BC.No.6/ 05.05.010/ 2018-19 dated 04.07.2018, insurance of crops of all borrower farmers is mandatory. However, GoB has exited the National Crop Insurance Scheme resulting in non-insurance of Crops under KCC Scheme of Banks.

The issue was raised in the 66th SLBC meeting. Responding to the action point on the issue, RBI clarified that since crop insurance aims at mitigating the financial loss of farmers in case of crop loss due to natural calamities, mandatory crop insurance prescribed by RBI is justified.

The Registrar (Cooperative Societies) , GoB have, vide their letter no. 11095 dated 24.12.2018, advised that there is no provision for insurance of crops of the KCC Loanee Farmers under the "Bihar Rajya Fasal Sahayata Yojana" launched by GoB.

The matter of Crop Insurance and its impact on lending to farmers was raised in 67th & 68th SLBC meetings also. SLBC took up the issue also with Department of Agriculture, Cooperation & Farmers Welfare, and Department of Financial Services, Government of India and Bihar Government.

SLBC was advised by RBI, Patna their letter no. letter FIDD(Pat)No./77/02.01.001/2019-20 dated July 15, 2019, to convey the member banks the following instruction on mandatory crop insurance for KCC:

"Member banks to sanction credit facilities under KCC scheme to eligible farmers without insisting on mandatory coverage under crop insurance till such time an insurance scheme is notified for the concerned crops by the Govt. of Bihar."

SLBC has accordingly advised to all member banks vide letter no. SLBC/CM/2019-20/117 dated 19.07.2019 which is placed at **Page No.54.**

8.3 Doubling of Farmers's income

Agriculture being the pivot of economic development of the State, it is imperative to make a drastic increase in credit outlay to Farm Sector. Looking at the small size of land holdings, increasing cost of inputs, absence of access to large markets by small farmers and limited capacity of investment in these land holdings, exploiting the opportunities of big ticket size Agri-loans should be emphasized. Financing to Farmer Producer Organisations is one of such opportunities. NABARD is already extending necessary help and handholding to FPOs in Bihar. But financing to FPOs is still to kick-start. Financing schemes covered under DEEDS of NABARD may also help in increasing farmers' income. NABARD is requested to liaise with Banks and arrange necessary training for Bank officials to make them conversant with the various facets of FPO financing and DEEDS.

With the formation of Regional Advisory Council on Off-Farm Sector at NABARD, Patna, it is expected that preparation and execution of appropriate policies & plans would take place expeditiously. This would have a positive impact on increasing farmers' income.

Efficient execution of Various schemes launched under Aatm Nirbhar Bharat will also be instrumental in Doubling farmers income.

8.4 Special drive to issue KCC to farmers for Agriculture & Allied Activities

Govt. of India had launched a special drive for covering all PM KISAN beneficiaries under KCC Scheme. The drive which started on 10th February 2020 and continued till April 2020 has created a positive impact and a good number of KCCs have been sanctioned. The sanction and issue of KCC to all remaining eligible PM KISAN beneficiaries is being monitored closely with the banks for its completion.

As part of the Prime Minister's package for farmers, Hon'ble Finance Minister has announced to cover 2.5 crore farmers under KCC scheme in a mission mode to facilitate credit to the farm sector of the economy. In this regard, Department of Agriculture Cooperation and Farmers Welfare (DAC&FW), GoI vide their letter dated 21.05.2020 have requested the State / UT administrations to take necessary measures for sanction and issue of KCC to all eligible PM KISAN beneficiaries.

To address the credit needs of farmers engaged in activities related to Animal Husbandry & Fisheries, the department of Animal Husbandry & Dairying (DAHD), GoI has decided to simultaneously launch a special drive effective from 1st June 2020 to provide KCC to dairy farmers belonging to Milk Unions & Milk Producing Companies. During this special campaign, banks are advised to make all efforts to ensure:

- (i) Saturation of all the PM KISAN beneficiaries under KCC by issue of fresh KCC or enhancement of existing limit or activation of the inoperative KCC account.
- ii) Issue of KCC to the eligible farmers as per application received in the revised format by issue of fresh KCC, enhancement of existing limit or activation of the inoperative KCC account.
- iii) Further, in order to provide the farmers with the much needed social security, eligible farmers may also be enrolled for the following schemes through auto debit facility:

(i) Pradhan Mantri Suraksha Bima Yojana (PMSBY)

(ii) Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY)

Department of Financial Services, Ministry of Finance, GoI have issued necessary instructions on the aforementioned subject vide their letter no. F.No.3/12/2020_AC dated 29.05.2020.

8.5 Determination of Crop Season

Crop Season is necessary for ascertaining repayment due dates and delinquencies in case of agricultural loans. RBI, Regional Office, Bihar had advised SLBC, Bihar to determine the crop season for various crops grown in the state. Accordingly, SLBC has requested Agriculture Department, Govt. of Bihar to carry out the necessary exercise and put up a report to SLBC for confirmation.

Once the Crop Season Report is placed before SLBC and is approved by it, the same will be shared with RBI.

12.2 DBT & Status of Mobile/ Aadhar Seeding

DBT has emerged as a very important & useful tool in administrating financial benefits related schemes of GoI & GoB. With the growing number of DBT beneficiaries day by day, the challenges before the banks for effecting quick and successful DBT transactions has also grown manifold. In order to minimize the instances of failed transactions, proper Aadhar Seeding & Mobile Number Seeding and authentication with UIDAI of bank accounts of the beneficiaries are the only way out.

The DBT user departments may ensure, beforehand, the availability of Aadhar Seeding & Mobile Number Seeding with bank accounts of the beneficiaries from the

related banks to avoid transaction failures. These Departments should update and correct their account number data base before submitting the same to banks for DBT to minimize the failed transactions and delay in receipt of funds by the beneficiaries. The remitting bank branches should provide details of failed transactions to the concerned customer departments immediately for correction.

➤ STATUS OF MOBILE /AADHAR SEEDING

10,07,25,225	6,31,99,362	8,05,69,386	5,47,83,756

From the data presented in the above table, it can be seen that out of a total of 10.07 Crore active accounts in the State, 6.31Crore (62.74%) are seeded with Mobile Numbers, 8.05 Crore (79.99%) are Aadhar seeded and 5.47 Crore (54.39%) are authenticated with the UIDAI. Also, 67.99% of Aadhar seeded accounts are authenticated with UIDAI.

12.3 Expanding and Deepening of Digital Ecosystem in Jehanabad District

A Meeting of the RBI Governor with the CEOs of the Public Sector Banks and the Chief Executive of Indian Banks' Association was held on July 19, 2019.

In the above Meeting, the Governor underlined the importance of expanding and deepening digital payments ecosystem in line with the recommendations of the Report of the Committee on Deepening of Digital Payments (Chairman: Shri Nandan Nilekani) and Reserve Bank's Payment System Vision Document 2021.

As per the suggestions of the RBI Governor, it was agreed that Banks will identify one District in each state to make it 100% digitally enabled, within a time frame of one year (October 2020) in close co-ordination and collaboration with all stakeholders, including SLBCs, State Governments, Regional offices of RBI, etc.

In this connection, IBA has sent a communication to PSBs, which have the Lead Bank Responsibility, to advise the SLBC Convenorsto identify one District in each State to make it 100% digitally enabled and to hold discussions with all Banks operating in the identified District, on various steps to achieve the target. IBA has also

advised PSBs that the SLBC Convenor should identify a Project Officer for the proposed task, for each State.

RBI reiterated the above instruction vide their letter no. RBI/2019-20/79 dated 07.10.2019 sent to all SLBC Convenor banks and added that the selected district should be from the Aspirational Districts.

Accordingly Jehanabad district has been selected in Bihar for making it 100% digitally enabled.

A meeting of the SLBC Sub-Committee on Digital Payments was held on 18.12.2019 in which the matter of 100% digitization of Jehanabad district was discussed. It was decided to form an implementation Committee to oversee progress made towards 100% digitization.

In compliance to the Action Point of the above meeting, an Implementation Committee has been formed with the following members:

- i. Reserve Bank of India
- ii. NABARD
- iii. State Bank of India
- iv. Punjab National Bank
- v. Bank of India
- vi. Allahabad Bank (since merged with Indian Bank)
- vii. Bank of Baroda
- viii. Dakshin Bihar Gramin Bank
- ix. India Post Payments Bank

Two meetings of the Implementation committee have been held.

Also a meeting with all stake holders was organised at Jehanabad on 25.02.2020. It was presided over by SBI General Manager and Convenor SLBC and was attended by representatives from RBI, NABARD, representatives of all banks operating in Jehanabad district and LDM Jehanabad.

current accounts are covered by atleast one digital mode which is 96.16 % of total eligible operative current accounts.

A detailed report in this regard is placed at **Page No.160-161**.

As notified by the Department of Financial Services, Government of India vide their letter F.No.-II-18015/68/2014-LWE-III dated 14.04.2018, there are **4“Most Affected LWE Districts”** in Bihar. Credit extension by Banks in these districts, upto the quarter ended March 2021 during FY: 2020-21, is as under:

SL. No.	District	Disbursement under ACP during the Year ended March' 2021	Disbursement under ACP during the Year ended March' 2020	C D Ratio as on 31.03.2021	C D Ratio as on 31.03.2020
		(Rs. in Crores)	(Rs. in Crores)	%	%

1 Discussion on Policy Matters

1.1 Involvement of LDMs by District Authorities under “Bihar Lok Shikayat Nivaran Adhikar Adhiniyam, 2015”

Lead District Managers are being involved in investigating / replying / presenting complaint cases filed by complainants under Bihar Lok Shikayat Nivaran Adhikar Adhiniyam – 2015. This issue was flagged by the LDMs in their meetings with SLBC on 09.11.2018 and 31.01.2019. They maintained that Bihar Right to Public Grievance Redressal Act, 2015 read with Bihar Right to Public Grievance Redressal Rules, 2016 is not applicable in respect of banking services. This issue was also raised in the 66th & 67th SLBC meeting.

SLBC requested Government of Bihar to look into the issue and instruct District Administration not to involve LDMs in grievance redressal so that they can discharge their functions as envisaged in the Lead Bank Scheme. Conceding to SLBC's request, Bihar Govt. has issued revised notification vide General Administration Deptt. Letter No. 1607 dated 05.02.2021.

Finance Department, GoB has requested the General Administration Department, GoB, vide their letter no. 750 dated 28.02.2020 to carry out necessary changes in this regard. However, the change is still awaited.

13.2 Waiver/ Rationalisation of stamp duty

Each agreement in Bihar attracts a stamp duty of Rs. 1000/-. In any loan around five to six agreements are executed between banks and borrowers which cost them Rs. 5000/- to Rs. 6000/-. Even in the case of PMEGP loans, the borrowers are required to pay Rs. 5000/- to Rs. 6000/- as stamp duty. GoB may consider to waive or reduce stamp duty substantially, say Rs. 100/- or Rs. 200/- per agreement, in case of loan agreements by PMEGP beneficiaries. It would boost entrepreneurship and act as an incentive for setting up new businesses.

Banks are geared up to extend loans to various sectors in line with packages announced by Govt. of India for **Aatm Nirbhar Bharat** to tide over the COVID-19 crisis. Govt. has come out with Guaranteed Emergency Credit Line scheme wherein the existing & needy MSME units, including PMMY borrowers, will be provided 20% additional financial assistance by banks. In the present scenario when all the economic activities are reeling under stress, the expenditure on account of stamp duty will be an additional expenditure. The State Govt., therefore, may consider to waive stamp duty on loans upto Rs. 10 lakhs under MSME.

Waiver / Reduction of stamp duty on mortgages/ agreements for agricultural loan purposes, irrespective of loan amount, will be a shot in the arm in agriculture credit off-take. Govt. of Bihar is requested to consider the same.

13.3 Digitization of land records & Online Issuance of LPC

GoB has started issuance of Land Possession Certificate Online to speed up credit extension by Banks.

GoB is also requested to allow Banks to access these land records to mark online their charges on land against the security of which loans have been granted by them.

13.4 E-Stamping of Bank Guarantee

IBA Managing Committee has approved a proposal to examine the feasibility of end to end digitization of trade process and to support the programme of Ease of Doing Business. A Working Group was constituted for the purpose which has suggested the Modalities for implementation of "Automated e-Stamping (AES)". IBA has requested to discuss the e-Stamping of Bank guarantees in SLBC meeting to take up the matter with State Govt. for its implementation.

During past few years, state governments have brought reforms on stamp duty collection on articles under their jurisdiction. Now the duty-paying customer can make payments on-line and collect the e-Stamp Certificate from the designated government offices / agents. Stock Holding Corporation of India (Stock Holding), an All India Institution specialising on central registration service has been designated as Central Record Keeping and Collecting Agency by most of the state governments. But not all state governments have brought Bank Guarantee as a permissible article under e-Stamping. Govt. of Bihar is requested to list the same, if not listed yet.

While e-Stamping has made the revenue collection process easier for Government, benefits of digitisation have not been fully realised. When banks issue bank guarantee, the banks other than the Agency banks or their clients need to visit the government department / Agency bank to collect the e-Stamp Certificate or Stamp Paper. The physical Certificate / Stamp is made part of the bank guarantee by attaching with and / or printing thereon the document as a proof of having paid the stamp duty.

The Digital E-Stamping eliminates the use of physical certificate / stamp and make the bank guarantee process fully automated. It enables the banking system to move away from paper based issuance of bank guarantees and helps adoption of international best practices in transmission of bank guarantees and its amendments.

The list of participants is attached as **Annexure-I**.

1. At the very outset of the meeting, **Shri Ajit Kumar Mishra, Assistant General Manager, SLBC Bihar** extended a very warm welcome to all participants. He told that this meeting of SLBC was a memorable meeting because it was its 75th meeting and also because it was being held in the Secretariat building.

2. The meeting started with the introductory speech by **Shri Mihir Narayan Prasad Mishra, General Manager and Convenor (SLBC), State Bank of India**. Views expressed by him are summarized below:

(i) The deposits, advances and CD Ratio of the State as on 31.12.2020 were Rs 3,84,776 Crores, Rs 1,71,397 Crores and 44.54% respectively.

(ii) As compared to Rs 79,183 Crores up to Q3 in 2019-20, banks disbursed Rs 83,674 Crores up to Q3 in 2020-21.

(iii) The NPAs of banks as on 31.12.2020 was Rs 16,105 Crores i.e., 10.22%. Around 7.58 lakhs certificate cases for Rs 5,900 Crores and 1,898 cases of SARFAESI for Rs 150 Crores were pending as on 31.12.2020.

(iv) Dedicated Certificate Officers are required to be posted in districts to ensure time bound disposal of Certificate Cases and district administration should take proactive steps to dispose of cases filed under SARFAESI Act.

(v) Banks have financed Rs 1,541 Crores to 9,963 beneficiaries under CLSS scheme out of which SBI has financed Rs 875 Crores to 4,919 beneficiaries.

(vi) Under PM SVANidhi scheme, loans to 39,583 vendors have been sanctioned.

(vii) Banks have financed Rs 1,880 Crores to 1,03,849 SHGs. They have financed to 2,205 beneficiaries under PMEGP.

(viii) Banks have achieved 78% of MSME-target under ACP and it is hoped that 100% of target will be achieved. Credit extension to this sector may further improve if stamp duty on MSME related agreements and mortgages are rationalized and reduced.

(ix) RRBs and Cooperative Bank were conceptualized with an objective to cater to financial needs of rural populace and the smaller borrowers. They have the supervisory oversight of State Govt., RBI and NABARD. **Shri Mishra** suggested that these banks should be suitably empowered to extend more and more loans to rural and small borrowers so that Commercial Banks are able to focus more on medium and large borrowers. Commercial Banks may extend Commercial line of Credit to these banks, if required.

(x) **Shri Mishra** drew the attention of State Govt. towards the matric exam paper leak incident in Jamui district. He said that despite a written information given by Branch Manager that there was no arrangement for safe keeping, 846 bags of exam papers were kept in locker room, banking hall and open space by local administration. After this attitude of local administration, the exam papers were leaked and went viral and two innocent bank officers and one contract employee have been arrested alleging them guilty. Not only this, but these officers were also taken to branch, and other places handcuffed like hardcore criminals and they are still in jail. Even after this incident, Branch Managers are being pressurized to keep exam papers whereas there is no specific or separate arrangement for their safe keeping in the branch. The Branch Managers who denied keeping question papers for these valid reasons were threatened to face FIRs. This incident has sent ripple of resentment and fear among banking fraternity. **Shri Mishra** requested the State Govt. to provide adequate safety and encouragement to bankers so that they could deliver better results.

3. Dr. S. Siddhartha, Principal Secretary, Finance Department, Govt. of Bihar initiated the agenda-wise discussion which is summarized as under:

(I) CD Ratio: Hon'ble Dy Chief Minister, Bihar and Hon'ble Finance Minister, Bihar have expressed their concern on low CD Ratio of the State in a meeting with Neeti Ayog held under the chairmanship of Hon'ble Prime Minister. The CD Ratio of Bihar is 35.40% which is far below the national average of 79% and is no match to the CD Ratios of similar sized states like Andhra Pradesh (124.30%), Gujarat (87.60), Karnataka (75%), Maharashtra (93%), Tamilnadu (111%), Rajasthan (85%), Kerala (67%), Haryana (68%), Punjab (62%) and Uttar Pradesh (45%). During last SLBC meeting some banks had pointed out that there was dearth of potential in Bihar. But it is obvious that many states having lesser potential have better CD Ratio than Bihar.

The five districts having lowest CD Ratios are Munger (26.90%), Saran (28.37%), Bhojpur (29.47%), Jehanabad (31.34%) and Arwal (31.51%) whereas these districts are not backward or lagging in potential. Five major banks having lower CD Ratios are CBI (27.69%), BOI (28.97%), SBI (30.61%), Union Bank (30.93%) and PNB (34.45%). A feedback from these banks revealed that their national average CD Ratio is about 70% or more.

(II) Achievement under ACP: As at the end of the 3rd quarter of current FY, the achievement under Annual Credit Plan (ACP) should have been ideally 75% whereas it is only 54.16%. Here the lowest performing districts are Supaul (33.21%), Banka (34.48%), Gopalganj (35.12%), Madhubani (35.27%) and Darbhanga (38.03%). The major banks with low ACP achievement are UCO (20.26%), Bank of India (32.62%), UBGB (37.62%), India Bank (41.96%) and Union Bank (46.25%).

The 10 lowest performing districts during 2019-20 figure again in the list of 10 lowest performing districts during 2020-21 also. This shows that proper efforts have not been made by these districts for improvement.

Supaul => DDC and LDM, Supaul informed that they are reviewing the performance in DCC and DLRC and are in close coordination with member banks and are hopeful of drastic improvement in the last quarter.

Banka => DM and LDM Banka told that the figures gathered at district level are more than the figures presented by SLBC and they are trying to improve the performance further. On the mechanism of data collection, AGM SLBC clarified that since long district-wise / state level data is entered at quarterly intervals on a portal especially developed and maintained by SLBC for the purpose. Data feeding on this portal is done by individual banks and collated data is auto

generated. Principal Secretary (Finance) advised that data fed into SLBC website by banks be shared with LDM Banka.

Gopalganj => ADM and LDM, Gopalganj told that they were aware of the poor performance, coordinating with the low performing banks and trying to take ACP achievement to at least to 50%.

Shri Amir Subhani, Development Commissioner, Bihar said that poor performance of banks in districts not only pulls down CD Ratio of the State but also the performance of various schemes and therefore is a matter of concern not only for State Govt. but also for Central Govt. He requested that DFS should look into this.

4. Dr. Bhushan Kumar Sinha, Joint Secretary, DFS told that so far the CD Ratio is concerned, deposit is going up year by year and if credit disbursal is not planned accordingly, CD Ratio will keep falling. Regarding ACP achievement, the districts should monitor scheme-wise, item-wise credit disbursal position and find out the reasons for poor credit off-take. While monitoring some central schemes like KCC Saturation Drive and PM SVANidhi at DFS level, it has been felt that monitoring the number of loan applications generated and disposed off may prove an effective tool for improving performance. This can be replicated at district levels.

Bettiah => DM Bettiah said that the progress of PMEGP is very slow and different types of papers are being asked for by different banks from applicants. A standard check list should be made available to applicants by banks and the applications received be disposed of within prescribed timelines.

Bhagalpur => Bhagalpur DM said that the ACP achievement is low due to the performance of lead bank's branches in the district. As suggested in the meeting, branch-wise, bank-wise review of applications will be carried out.

Bhojpur => DM Bhojpur said that the performance under ACP and CD Ratio is lower due to low performance of major banks having more branches. Application based review will be done henceforth.

Katihar => DM Katihar said that the CDR and ACP achievement of the district could have been better had some major banks done better under SHG financing. Out of 950 applications pending with two major banks, 450 applications of JEEVIKA SHGs had to be transferred to other smaller banks. Many banks in the district are refraining from doing small ticket loans.

Darbhanga => ADM Darbhanga told that three banks are having maximum number of branches in the district. We will follow up with these banks and improve the performance under ACP.

5. The Principal Secretary (Finance) told that in the next SLBC meeting the discussion will be based on number of applications submitted to banks, applications sanctioned, disbursed, and rejected. He said that the team of Finance Department officials and SDC (Banking) and SLBC should collect this information branch-wise from various Govt. Depts. on schemes implemented by them. He requested the Secretaries of all Government Departments to share information on applications submitted to bank branches related to schemes of their departments. Based on the consolidated status of applications at State level, the review of banks will be undertaken in the next SLBC. He asked for suggestions on the number of applications-based discussion in the next SLBC meeting. SBI representative said that the ultimate yardsticks to measure disbursement to the needy hinges upon applications, rejections, and selections and these three aspects may be taken forward as foremost action points to be implemented over a period of time. CBI representative told that 80% of their advances are under priority sector and so far, pendency of applications is concerned, it is minimal and again they will carry out an internal

review. PNB representative told that almost all schemes are portal based and they have identified nodal officers for them. They will further coordinate with all their 11 circles in the State and will also try to improve the position of the districts where they have lead bank responsibility and which are lagging in ACP and CD Ratio.

Shri Tarkishore Prasad, Hon'ble Deputy Chief Minister & Finance Minister, Bihar said that we are at the fag end of the current FY but are still grappling to find out ways to improve our performance. He said that he had indicated during the last SLBC meeting that we needed to strengthen coordination and monitoring mechanism at block and district levels on an on-going basis. It is why all the District Magistrates have been linked to this SLBC meeting through VC.

6. Shri Syed Shahnawaz Hussain, Hon'ble Minister (Industry) shared his views as under:

(i) The data suggest that the performance under PMEGP is on a continuous decline during the last three years. Banks should look into its reasons and take suitable remedial steps urgently to address them.

(ii) Industry Deptt. has given clearances to 1,369 stage-I and 364 stage-II proposals out of which 496 proposals have been financed by banks so far. Almost all Govt. schemes which carry subsidy are credit linked and, therefore, benefits of these schemes will reach to beneficiaries only when banks finance them. Loan applications should not be kept pending at banks for indefinite period; these should be disposed of promptly in a time bound manner. Undue delay in disposal of loan applications causes resentment among applicants and results in complaints also.

(iii) Bihar is rich in maize and starch resources and the Govt. is mooting to start ethanol production in a big way and develop Bihar as an Ethanol Hub. The ethanol production project is lucrative, and many entrepreneurs are showing interest in this project and soon they will be approaching to banks for finance. Banks need to take decision on their proposals in a time bound manner.

(iv) People are interested in other bigger projects related to Fly Ash and Petrochemicals. But no industrial project is possible without banks' financial support. So, banks should take interest in financing these projects which will generate employment and production.

(v) Industry Department should organise a separate meeting with banks to discuss industry related issues.

7. The Secretary (Agriculture Deptt. and Animal Husbandry & Fishery Resources Deptt.) put forth the following views related to his departments:

(i) The SLBC Sub-Committees on Agriculture and on Allied Activities met yesterday (05.03.2021) under the Chairmanship of Hon'ble Minister (Agriculture) and discussed related issues. The achievement of ACP under Agriculture sector has been 45.45% this year as compared to 47.94% last year.

(ii) The achievement under KCC number-wise and amount-wise is 16.39% and 23.05% respectively. For Animal Husbandry, it has been 0.97% and 1.56% respectively and for Fishery 0.06% and 0.14% respectively.

(iii) Around 2.46 lakhs applications for KCC (Dairy) have been submitted to banks whereas banks report that only 80,000 applications have been received. Unless there is an online system, such blame games will continue.

(iv) The achievement under "Samagra Gou Vikas Yojana" is 11%. Looking at the slow pace of bank credit, the benefits of the scheme has been extended to self-financing dairy farmers. Achievements under Broiler Poultry Farming, Layer Poultry Farming and Sheep and Goat Rearing are 14%, 3% and 3.3% respectively.

(v) We have received 70 and 10 applications under Agriculture Infrastructure Fund and Animal Husbandry Infrastructure Fund respectively under Aatma Nirbhar Bharat Package. Banks are requested to dispose of these applications expeditiously.

(vi) Apart from benefits available to Agri sector investors under Bihar Industrial Policy 2016, many more benefits will be made available to them under Bihar Agriculture Investment Policy 2020 focussed on 7 sectors for which applications are expected to be received soon. He thanked NABARD and SBI for preparing 10 model DPRs for different schemes. He also informed that Scale of Finance for 2020-21 was finalised and circulated by SLTC under his chairmanship and following suggestions from NABARD the scale of finance for 2021-22 will be finalised soon.

8. Shri Amarendra Pratap Singh, Hon'ble Minister (Agriculture) told that pendency of loan applications in banks is piling up as these are not being attended by banks. The CD Ratio of the State has been perennially low and even review after review is not yielding any result. NABARD should review at district levels and give report for improvement of agriculture sector. Private Sector Banks are performing better than Public Sector Banks. A huge responsibility has been cast on Public Sector Banks under Aatma Nirbhar Bharat and if they do not live up to expectations this initiative may not fructify in Bihar.

9. Shri Mukesh Sahani, Hon'ble Minister (Animal and Fishery resources) told that he was sanctioned a home loan of Rs 1.20 Crores in 24 hours in Mumbai but banks in Bihar are not working with similar zeal. Out of 12,513 applicants of Dairy schemes, only 5 applicants have been sanctioned loan for Rs 3.58 lakhs. Even under schemes for SCs / STs wherein the subsidy component is up to 75%, the sanctions of loans are not happening. COMFED got 2,46,000 applications of dairy farmers submitted to banks but many of them are not getting bank loans. Now nobody wants to apply for bank loans. Bihar wants to be self-dependent in dairy and fishery like Gujarat and Andhra Pradesh and wants to create employment opportunities for its youth. State Govt. is investing sizeable amount in subsidies. But as these are credit linked and bank credit is not flowing suitably, all initiatives of Govt. are taking a back seat. This is somewhat not good for Bihar.

10. Secretary, Industries Department told that under PMEGP scheme the achievement during FY 2016-17 and 2017-18 have been more than 100%, However, it is declining thereafter and during 2018-19 and 2019-20 it has come down to 89% and 46% respectively. Banks have sanctioned 2,133 PMEGP applications of which 1,143 and more than 7000 applications are pending. Similarly, out of 1,369 stages-I cleared SIPB proposals, only 496 have been financed by banks.

11. While discussing schematic lending, it was observed that:

(i) the average ticket size under CGTMSE was Rs 3 lakhs whereas the scheme provides for collateral free loans up to Rs 2 Crores.

(ii) Out of 7600 bank branches in the State, 747 branches have given loans to 159 SCs, 39 STs and 933 women under Stand-Up India scheme. DFS representative told that in Bihar banks have so far financed Rs 745 Crores to 3,910 beneficiaries.

(iii) Under PM SVANidhi Yojana, as of 24.02.2021, 53,597 leads were received, 27,619 were picked up and sanctioned of which 13,579 have been disbursed. Representative from Urban Development Department told that if the banks sanction and disburse all loan applications picked by them as on date and sanction and disburse them all, we will have a remarkable achievement under the scheme. DFS representative expressed hope that the figures will improve drastically as camps are being held for sanctions and disbursements under the scheme.

12. Dr. Sunil Kumar, the Chief General Manager, NABARD said that for Bihar Agriculture, SHG and MSME are very important sectors. There is lot of potential in Agriculture, Horticulture and Dairy-Poultry-Fishery. NABARD has several refinancing and other schemes for banks and recently launched central sector and centrally sponsored schemes being implemented by State Govt. He threw light on a few schemes being implemented by NABARD. He appealed banks to take benefit of all schemes and gear up credit extension in the State. He said that the target for credit to Agriculture sector pan India is Rs 16,50,000 Crores out of which Rs 66,500 Crores are for Bihar. The ACP targets are finalized based by SLBC on the Potential Linked Plan prepared by NABARD and all sectors are taken care of while preparing this plan.

On the monitoring mechanism of priority sector advances, The **Chief General Manager, NABARD** said that the achievement under ACP is monitored by BLBC at block level, DCC and DLRC at district level and by SLBC at State level at quarterly intervals. Further, there are sub-committees at district and state levels which may review performances under specific sectors more frequently / monthly intervals. **However, Hon'ble Minister (Agriculture)** told that NABARD should review the Agriculture Sector separately and submit the review report.

13. Secretary, Rural Development Department and CEO, JEEVIKA told that banks have extended loans to SHGs to the tune of Rs 2,364 Crores, Rs 2,800 Crores and Rs 3,853 Crores during FY 2017-18, 2018-19 and 2019-20 respectively. However, due to Covid induced difficulties, banks have been able to Finance only Rs 2,050 Crores during current FY till February 2021. He appealed bankers to dispose of pending 93,000 loan applications and 30,000 SB account opening forms which will boost the release of credit and revolving fund to SHGs. He told that NPA level for SHGs is less than 2% and assured to have a tight monitoring of SHGs by JEEVIKA so that NPAs of SHGs could be contained below the present level of 2%.

14. Secretary, Cooperative Department told that it is a matter of pride for her that the Cooperative Bank is a State subject. Cooperative Bank has achieved 70.44% of CD Ratio. Under ACP, the achievement is 51.54% Though below the target, is still in tune with State average ACP achievement. Bank is financing under PM SVANidhi and is also all set to extend finance to animal husbandry, poultry and fishery sectors. The Bank has launched a One Time Settlement Scheme and hopes to bring NPAs down substantially. Also, bank is trying to improve its operational efficiency by beefing up computerization with the help of NABARD. It was requested that the government deposits be placed with cooperative banks also.

15. The Chairman, Bihar State Minority Commission told that under an able leadership the Central Govt. is taking all necessary steps to improve the condition of its people and it is believed to yield commensurate results because:

जमाना याद करता है उन्हीं इन्सानों का ... जो रुख पार मेरे हैं हवाओं का.

He urged that RBI instructions must be complied with in credit extension to minority communities. But it is not happening despite his repeated requests to SLBC. He said that the credit disbursement under priority sector under in Kishanganj district is 53.34% up to December 2020 but the same for minority communities in the district is only 5.01%. This is violation of RBI

instruction and also against natural justice. He further told that besides the already identified 7 minority concentrated districts; there are many more districts in the State where minority population is more than 30%. RBI instructions regarding credit facility to minority communities should be implemented in these districts also. He told that ours is a nation which believes in the humanitarian principle:

“सर्वे भवन्तु सुखिनः , सर्वे सन्तु निरामयाः , सर्वे भद्राणि पश्यन्तु मा कश्चिद्दुःखभाग्भवेत्”

He is hopeful that banks in the State will do better for the poor, deprived and less educated minorities.

16. The Deputy General Manager, BSNL told that banks and CSPs operating in rural areas through real time CBS system and BSNL is everywhere in the State. extending connectivity to them. If any bank or CSP is facing any issue regarding connectivity, it should be brought to the notice of BSNL, and they will fix it on priority basis.

17. Shri Brij Raj, General Manager-in-Charge, Reserve Bank of India, Patna spoke at length on various topics related to banking in the State. Views expressed by him are summarized below:

(i) This SLBC meeting being the 75th is a historic and landmark SLBC meeting.

(ii) In order to make the SLBC forum more effective, we may discuss this separately. If all the stake holders agree, we may constitute a small group consisting of representatives from Public representatives, representatives from RBI, NABARD, State Govt. and Banks to find ways to make SLBC more effective. We may work out formats for more granular data.

(iii) Industry department is all set to establish an Integrated Manufacturing Hub at Dobhi in Gaya which will be a part of the economic zones of the upcoming Amritsar-Kolkata-Delhi Freight Corridor. This will be a shot in the arm of economy and employment of Bihar.

(iv) As lending to priority sector (PSL) is crucial for development, RBI has issued Priority Sector Lending Certificates. Banks having done PSL more than their target may sell it to the banks falling short of their PSL target. This will incentivize banks to go for more PS lending.

(v) RBI held a State level meeting on 25th February 2021 which was attended by all banks, Industry Department and Industry Representative Bodies in which PMEGP was also discussed at length along with MSME wherein clear instructions were given to gear up lending under PMEGP.

(vi) Now the private sector banks also have been authorized to undertake Govt. Business for the benefit of public and Govt. The public sector banks now need to upgrade and make their Govt. Business services more efficient in order to retain this business whereas this has created new business opportunities for private sector banks.

(vii) The Covid-19 has proved the utility of digital platform in banking sector. Banks have done good in popularizing digital platforms in the State, but a lot is still left to be done. RBI and Govt. of India have taken many initiatives in this regard and banks are also requested to go full throttle for on boarding banking services on various digital platforms.

(viii) Besides a lot of opportunities in Dairy, Fishery, Horticulture, there is a lot of priority sector lending opportunity in Housing Sector also. Housing Loan rates are at all time low at present and banks can generate maximum HL business. This will not only boost up PSL but also add to State Govt.'s exchequer as registration fees.

(ix) The number of bank branches per lakh population is still very low in Bihar. Hon'ble Chief Minister and Deputy Governor, RBI have mentioned in SLBC meeting that there should be a bank branch in every Panchayat of the State. Banks should achieve this target in 2021-22.

(x) Govt. is focusing on "One District One Product" under its "Vocal for Local" and "Aatma Nirbhar Bharat" initiatives. This has also opened new avenues of credit extension for banks. Active participation of banks in these initiatives will add to the economic growth of the State.

(xi) Keeping pace with changing times, banks should evolve a Fintech led banking ecosystem in the State which will be a win-win situation for banks as well as customers.

18. Shri Amir Subhani, Development Commissioner, Bihar told that:

(i) Recovery of economy post Covid is indicative of the fact that the economy is back on wheels and this is high time to fire all the cylinders of the engine of development. Here institutional finance in general and banking in particular have major roles to play.

(ii) Govt. has played its role and announced a huge package under Aatma Nirbhar Bharat and the State Govt. has also set its agenda for development accordingly, which has just been discussed by Hon'ble Ministers of Agriculture, Animal Husbandry & Fishery Resources and Industry. Not only is the Integrated Manufacturing Zone and the Ethanol Hub, Hon'ble Industry Minister is trying to get for Bihar its very first dry port also. Many schemes aimed at development are being run by various State gov't. Departments. However, there is no denying the fact that all Govt. schemes need banks' financial support to succeed.

(iii) Even if the banks dispose of on merit basis only those applications which are presently in hand, it will add amply to the achievement of ACP for the current FY.

(iv) Office of the Development Commissioner is always keen to extend all possible cooperation and coordination that banks may need from any Govt. department on any issue.

(19) Shri Tarkishore Prasad, Hon'ble Deputy Chief Minister and Finance Minister, Bihar made his concluding remarks as under:

(i) The Honourable Ministers participating in today's meeting have shared their concern very vividly because they have read the dreams, the aspirations, and the pains of the people of Bihar and they also know that banking is the only road to the goal of realizing their dreams. Central Govt., State Govt., Departmental Heads and Banks – we all are a team, and our prime concern is development of our State.

(ii) For Banks, a loan may be merely a loan to an individual or firm or company but for me every bank loan is bank's contribution towards the development of the State because individuals constitute a society and societies together constitute a state. I request banks to think of a loan in this context. We should take all SLBC meetings very seriously and religiously and should act upon the decisions taken therein so that desired results are achieved.

(iii) As rightly said by the Development Commissioner, we have come out of the financial and economic syndrome of Covid, and we should talk no more of Covid in this regard; rather we should henceforth talk of developmental activities only.

(iv) It was decided to connect all DMs to this meeting through VC because we lack feedback from ground level while discussing the status of various schemes. Though LDMs participate in this meeting but they give feedback from their angle. I have been member of legislative assembly since long and have been participating in almost all DCC and DLRC meetings since then because I consider these meetings very instrumental in harnessing development.

(v) The DM of West Champaran has taken keen interest in encouraging PMEGP borrowers and Start Ups and banks are requested to respond so that such efforts are taken to their logical ends.

(vi) We could interact with a few districts, but I am sure DMs of other districts must have been listening to the deliberations being made in the meeting and will take a leaf from this and plan and execute their strategies accordingly to achieve the ACP and improve the CD Ratio of their districts.

(vii) We have seen the Cooperative Banks and small private banks like Bandhan Bank have done well in ACP achievement and CD ratio. There is no reason why Public Sector Banks cannot do well, they have done in the past, and they can do it again.

(viii) Bihar is not like developed states and therefore financing only big-ticket size loans will not help the State. There are lots of small traders, farmers, micro entrepreneurs who need finance through Mudra, PMEGP, KCC, PM SVANidhi, Stand Up India and various schemes of poultry, dairy, fishery etc. If they all prosper only then the State will be able to prosper, let us keep this fact in our mind. Banks need to customize their roles as per the socio-economics background and structure of the State.

(20) Shri Mukesh Kumar Dhama, Deputy General Manager, SBI extended the Vote of Thanks.

6. ISSUES RELATED TO FLOW OF CREDIT

6.1 ENHANCEMENT OF LIMIT FOR REQUIREMENT OF COLLATERAL IN CASE OF AGRICULTURE LOANS

Consequent to Gol's recent budget announcements, it has been decided by RBI that Banks may waive security / margin requirements for agricultural loans upto Rs 1.6 lakhs. Earlier this relaxation limit was Rs 1.00 lakh only. Banks are requested to take note of the revised ceiling and ensure implementation of the same with immediate effect to increase credit extension to Agriculture Sector in the State.

The related notification of RBI bearing no. RBI/2018-19/118, FIDD.CO.FSD.BC.NO.13/05.05.010/2018-19 dated 7th February 2019 is reproduced below:

Credit Flow to Agriculture- Collateral free agricultural loans

RBI/2018-19/118

FIDD.CO.FSD.BC.No.13/05.05.010/2018-19

February 7, 2019

The Chairman/Managing Director/Chief Executive Officer
All Scheduled Commercial Banks (including RRBs and SFBs)

Madam/Sir,

Credit Flow to Agriculture- Collateral free agricultural loans

Please refer to paragraph 13 of the Statement on Development and Regulatory Policies of the Sixth Bi-Monthly Monetary Policy Statement for 2018-19 released on February 7, 2019.

2. In this connection, please refer to our circular RPCD.PLFS.BC.No 85/05.04.02/2009-10 dated June 18, 2010 on the captioned subject.

3. Keeping in view the overall inflation and rise in agriculture input cost over the years since 2010, it has been decided to raise the limit for collateral free agricultural loans from the existing level of ₹1 lakh to ₹1.6 lakh. Accordingly, banks may waive margin requirements for agricultural loans upto ₹1.6 lakh.

4. You are requested to give adequate publicity to this change and instruct your controlling offices/branches to implement the same immediately.

5. Please acknowledge receipt.

Yours faithfully,

(SonaliSen Gupta)
Chief General Manager

6.2 SIMPLIFICATION OF PROCESS OF CREATION OF CHARGES/MORTGAGE

Digitization of record and online creation of charge online is the ultimate solution in this regard.

6.3 RATIONALIZATION OF STAMP DUTY ON LOAN AGREEMENT AND WAIVER OF MORTGAGE CHARGES OF LAND

Each agreement in Bihar attracts a stamp duty of Rs 1000/-. In any loan around five to six agreements are entered into with the prospective borrowers which cost them Rs 5000-6000 and prove to be an disincentive to credit extension. Even in the case of PMEGP loans, the borrowers are required to pay Rs 5000/- to Rs 6000/- as stamp duty. GoB may consider to waive or reduce stamp duty substantially, say Rs 100/- or Rs 200/- per agreement, in case of loan agreements by PMEGP / PMMY beneficiaries. It would boost entrepreneurship and act as an incentive for setting up new businesses.

Waiver of stamp duty on mortgages/ agreements for agricultural loan purposes, irrespective of loan amount, will be a shot in the arm in agriculture credit take off. GoB is requested to consider the same.

7.3 “DOUBLING FARMER’S INCOME BY 2022”

The Government of India in the Union Budget 2016-17 had announced its resolve to double the income of farmers by 2022. This agenda has also been reiterated by the government in several forums and has acquired primacy from the point of view of rural and agricultural development.

(a). The strategies to achieve this goal include:

- ✓ Focus on irrigation with large budgets
- ✓ Provision of quality seeds and nutrients based on soil health
- ✓ Investments in warehousing and cold chains to prevent post-harvest crop losses
- ✓ Promotion of value addition through food processing
- ✓ Creation of a national farm market, removing distortions and develop infrastructure
- ✓ Strengthening of crop insurance scheme to mitigate risks
- ✓ Promotion of ancillary activities like poultry, bee-keeping and fisheries.

(b) Acceleration in income generation is significantly dependent on better capital formation in agriculture. Towards this, banks should revisit their documentation for crop loans, simplify them where required and ensure speedy sanctioning and disbursement of loans within specified time limits.

(c) SLBC monitors and reviews the performance of banking developments in the State/Districts with special reference to Annual Credit Plans, Government Sponsored Programs, flow of credit to priority sector, etc. for enhancing the flow of bank finance particularly to the rural areas.

(d) Pursuant to RBI instructions, SLBC, vide letter no. SLBC/CM/2018-19/ dated 06.08.2018, has advised all Lead District Managers to arrange for inclusion of the subject “Doubling Farmers’ income by 2022” as a regular agenda item in BLBC/DLCC/DLRC meetings.
